Instructions

- Convert all fonts to outlines or also deliver the font you have utilized in your design.
- It is recommended that font size be no smaller than 6.5 pt.
- Create your files in the CMYK color mode (for full color print jobs) and/ or in spot colors (Pantone colors). Do not use the RGB color mode!
- Include a 5 mm (0.2 inch) bleed for objects touching or running off the edge of the page.
- Don't place text or other important information near the edge of the bag or handle. Stay at least 10 mm (0.4 inches) away of the trim line.
- Check your layout and spelling carefully before forwarding your artwork.

Media

- Files 10MB or less: Send via e-mail to your BioBag contact
- Files over 10 MB: Contact marketing@biobagusa.com for instructions

Certifications

Certified Compostable according to the European Standard EN 13432 and the US Standard ASTM D6400.
